

Genesee Foundation Member Commitment to Civility
Adopted by Board Resolution on April 26, 2020

Our Genesee Community is committed to fostering a climate of mutual respect, open discussion and debate, and civility between all who live in, work in, and visit our community.

We commit to, and request each individual, whether a resident, board or committee member, community association manager, or staff member to be accountable for her or his own actions and words.

We believe all interactions in the community should be civil despite any differences of opinion on a particular issue. We believe in finding common ground and engaging in civil discussion about community issues important to each of us.

We commit to and invite all residents to be engaged and informed. Get to know your neighbors, your board members, and your community manager. Attend meetings, join a committee, or serve on the board. Understand the community's rules, regulations, and covenants, and the value they add. Ask questions, share your opinions, and vote.

We believe the guiding principles addressed in these commitments to civility, as well as engaged and informed residents, are a vital part of our shared goal of being a vibrant, thriving community.

We sincerely hope that you will choose to join your neighbors and friends in helping to make Genesee an exemplary place to live and work.
